

Colibrí Ermitaño Mesoamericano
Long-billed Hermit
Phaethon longirostris
18 – 19 cms / 7" – 7.5"

Colibrí Pico Ancho
Broad-billed Hummingbird
Cyanthus latirostris
9 – 10 cms / 3.5" – 4"

Colibrí Canelo
Cinnamon Hummingbird
Amazilia rutila
10 – 12 cms / 4" – 5"

Colibrí Pico Occidental
Plain-capped Starthroat
Helimaster constantii
12 – 13 cms / 4.7" – 5"

Coa Citrina
Citreoline Trogon
Trogon citreolus
26 – 28 cms / 10 – 11"

Martín Pescador de Collar
Ringed Kingfisher
Megasceryle torquata
38 – 41 cms / 15" – 16"

Martín Pescador Norteño
Belted Kingfisher
Megasceryle alcyon
30 – 33 cms / 12" – 13"

Momoto Corona Canela
Russet-crowned Motmot
Momotus mexicanus
30 – 36 cms / 12" – 14"

Caracara Quebrantahuesos
Crested Caracara
Caracara cheriway
48 – 59 cms / 19" – 23"

Perico Frente Naranja
Orange-fronted Parakeet
Eupsittula canicularis
(*Aratinga canicularis*)
23 – 26 cms / 9" – 10"

Loro Frente Blanca
White-fronted Parrot
Amazona albifrons
25 – 29 cms / 10" – 11.5"

Martin Pescador Verde
Green Kingfisher
Chloroceryle americana
19 – 21 cms / 7.5" – 8.2"

Carpintero Enmascarado
Golden-cheeked Woodpecker
Melanerpes chrysogenys
19 – 22 cms / 7" – 9"

Carpintero Lineado
Lineated Woodpecker
Dryocopus lineatus
31 – 34 cms / 12" – 14"

Carpintero Pico Plateado
Pale-billed Woodpecker
Campephilus guatemalensis
35 – 38 cms / 14" – 15"

Cernicalo Americano
American Kestrel
Falco sparverius
25 – 29 cms / 10" – 12"

Urraca Cara Blanca
White-throated Magpie-Jay
Calocitta formosa
43 – 56 cms / 17" – 22"

Loro Corona Lila
Lilac-crowned Parrot
Amazona finschi
30 – 35 cms / 12" – 13.5"

Loro Cabeza Amarilla
Yellow-headed Parrot
Amazona oratrix
35 – 38 cms / 14" – 15"

Luis Bienteveo
Great Kiskadee
Pitangus sulphuratus
23 – 24 cms / 9" – 10"

Mirlo Dorso Canela
Rufous-backed Robin
Turdus rufopalliatus
21 – 24 cms / 8" – 10"

Papamoscas Cardenalito
Vermilion Flycatcher
Pyrocephalus rubinus
12 – 15 cms / 5" – 6"

Luisito Común
Social Flycatcher
Myiozetetes similis
17 – 19 cms / 6" – 7"

Golondrina Alas Aserradas
Northern Rough-winged Swallow
Stelgidopteryx serripennis
12 – 14 cms / 5" – 5.5"

Urraca Cara Blanca
White-throated Magpie-Jay
Calocitta formosa
43 – 56 cms / 17" – 22"

Cardenal Rojo
Northern Cardinal
Cardinalis cardinalis
20 – 23 cms / 8" – 9"

Zanate Mayor
Great-tailed Grackle
Quiscalus mexicanus
♀ 34 – 47 cms / 13" – 19"
♂ 26 – 32 cms / 10" – 13"

Calandria Dorso Rayado
Streak-backed Oriole
Icterus pustulatus
19 – 23 cms / 7" – 9"

Calandria Castaña
Orchard Oriole
Icterus spurius
15 – 17 cms / 6" – 7"

Cacique Mexicano
Yellow-winged Cacique
Cassidix melanicterus
(*Cacicus melanicterus*)
30 – 33 cms / 12" – 13"

Tordo Cabeza Café
Brown-headed Cowbird
Molothrus ater
16 – 18 cms / 6" – 7"

Caracara Quebrantahuesos
Crested Caracara

Zopilote Común
Black Vulture

Zopilote Aura
Turkey Vulture

Esápula Rosada
Roseate Spoonbill

Fragata Tijereta
Magnificent Frigatebird

Cigüeña Americana
Wood Stork

Pelicano Blanco Americano
American White Pelican

PLANEAR EN CÍRCULOS / KETTLE

Es muy común ver en el cielo parvadas de especies diferentes planeando en círculos, utilizando las termales, o corrientes ascendentes del aire, para volar durante mucho tiempo sin gastar energía.

A kettle is a term that birdwatchers use to describe a group of birds wheeling and circling in the air. The kettle may be composed of several different species at the same time.

Clave | Key

Hábitat / Habitat	Movimiento / Movement	Temporada / Season
Selva y Margen de la Selva / Forest & Forest Edge	Migratorio / Migratory	Primavera-Otoño / Spring-Fall
Pantanos y Humedales / Marshes & Wetlands	Residente / Resident	Otoño-Primavera / Autumn-Spring
Espacios abiertos y Cielo / Open Spaces & Sky	Endémica de México / Endemic to Mexico	Todo el año / Year Round
Mar y Costa / Sea & Shore	Transitorio / Transient	
Revolotear sobre flores / Hovering over Flowers		Tamaño - Escala / Size - Scale
Playas / Beaches		

NOM-059-SEMARNAT-2010
Conservation Status – NOM-059-2010

Amenazadas - En peligro de extinción / Threatened – Endangered
